THEY BOUGHT THE AUTO

Recently in this city an old automobile was auctioned off to meet a debt. A few young men of the town were spectators, and, to push the thing along, and incidentally help out the auctioneer, the bid sixty dollars for the machine. Much to their surprise, they were declared the successful bidders. However, they were much relieved when one of the crowd offered them five dollars for their bargain. Needless to say, the man who made the offer "bought something."

After Four Years of Discouraging

Conditions, Mrs. Bullock Gave

Up in Despair. Husband

Came to Rescue.

Catron, Ky.—In an interesting letter

from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during

his time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains

in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good.

I had gotten so weak I could not stand,

and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first

dose, I could tell it was helping me. I can now walk two miles without its

helping me, and am doing all my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.
